

SWIMMING POOL ORDINANCE

March 6, 1978

Article No. 30

Swimming Pool Ordinance (To apply to area zoned "residential"). All swimming pools shall be provided with a fence enclosure at least four (4) feet high with the necessary gates so that the pool will be accessible only upon the possessor's invitation.

Swimming pool as used here means any permanently constructed artificial pool used for swimming with a water depth exceeding eighteen (18) inches.

Several attempts were made to amend the article - all failed except the one amendment moved and seconded to eliminate the parenthetical phrase (To apply to area zoned "residential").

The article was moved and seconded as amended. Motion carried.

March 5, 1979

Article No. 35

Swimming Pool Ordinance (To apply to areas zoned "residential"). All Swimming pools shall be provided with a fence enclosure at least four (4) feet high with the necessary gates so that the pool will be accessible only upon the possessor's invitation.

Swimming pool as used here means any permanently constructed artificial pool used for swimming with a water depth exceeding eighteen (18) inches.

The article was moved and seconded to be accepted as read. Motion carried.
